

SIZE 1**NECKLINE & ARMHOLE INCREASES**

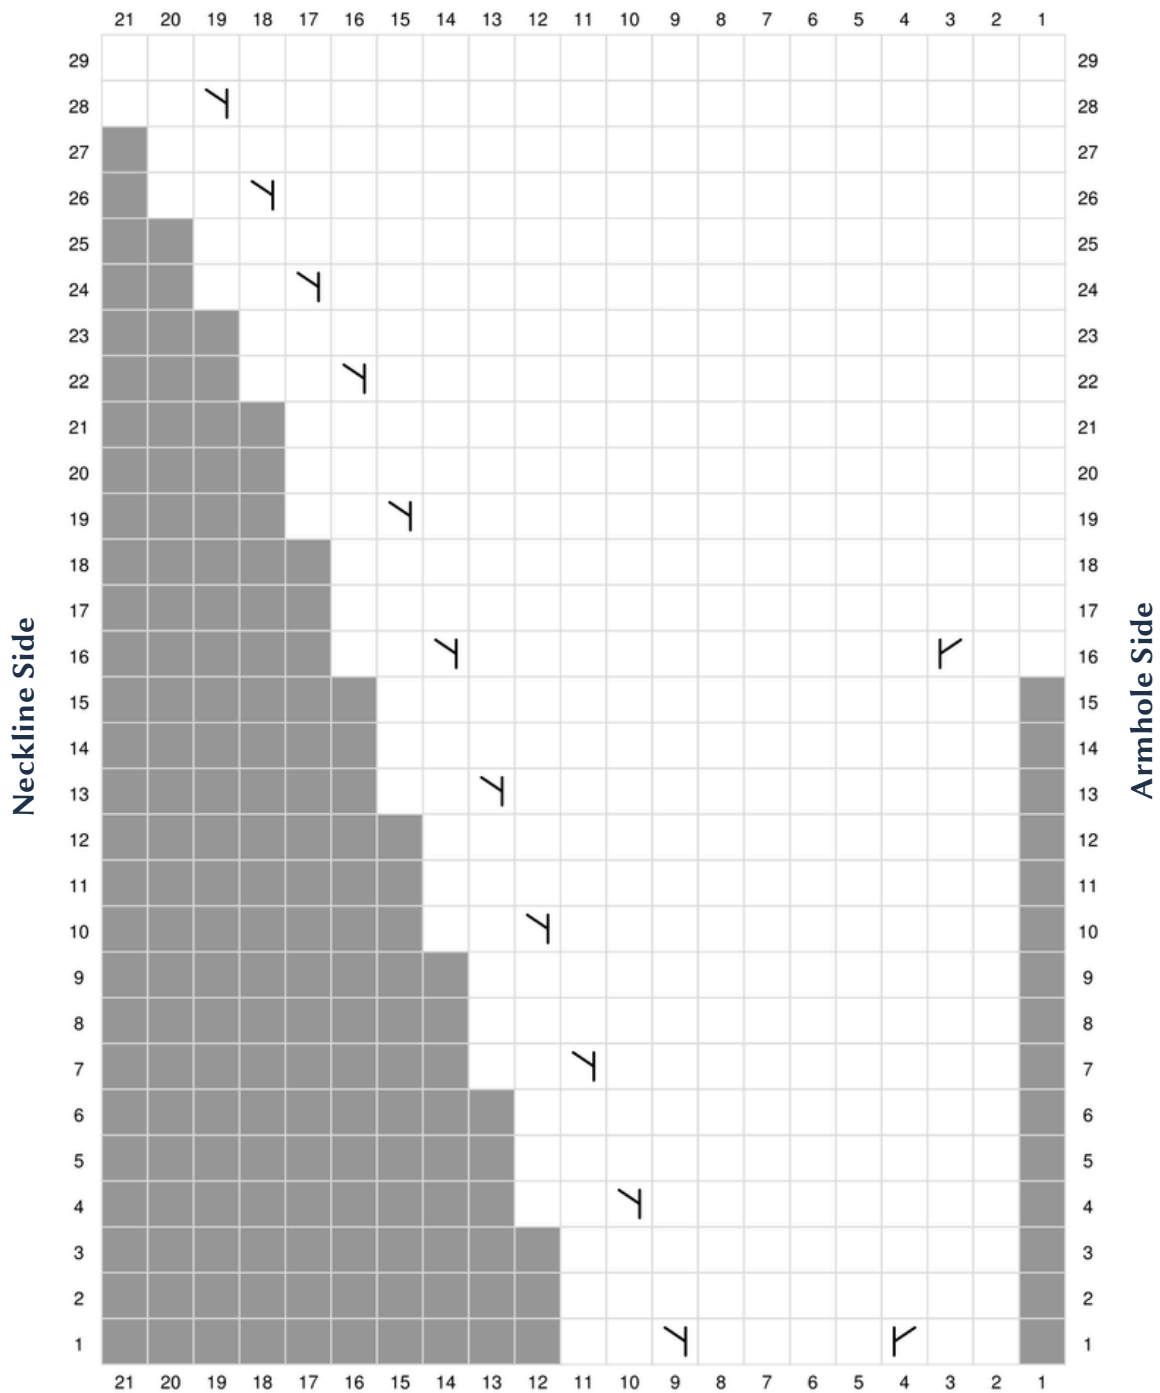

The following chart shows the increase section for the Right Front Panel, beginning with the neckline and armhole increases happening at the same time on page 9 of the pattern. It includes all neckline and armhole increases up to the point where you place the Right Front Panel on hold and continue with the Left Front Panel.

Please note that, to keep the chart as clear and easy to read as possible, the stockinette stitches between the armhole and neckline increases have been condensed. The chart therefore focuses primarily on the edges of each row where the increases take place.

Only the Right Front Panel is shown in the chart. The Left Front Panel is worked over the same intervals, but in reverse, so the chart can be used as a reference for both sides.

Please also note: For Size 1, Row 1 is a RS row, so the chart begins with a RS row for that size.
